Hello, **JAHIR AKHTAR**

This section reflects your CIBIL Score, which is widely used by loan providers to evaluate loan applications. Your score ranges between 300 and 900, and is calculated based on the information available in the "Accounts" and "Enquiry" section of your CIBIL Report. The closer your score is to 900, the more confidence the lender will have in your ability to repay the loan. Higher your score, the better chances of your application getting approved.
